

**Bilitio runner/walker -
Athlete of the Two Europe's**

Bilitio runner/walker

All participants in the 11 KM **Bellinzona Castles & GO** RUNNING RACE and WALKING/NORDIC WALKING RACE can ex officio receive the title **Bilitio runner** (Runner of Bellinzona) or **Bilitio walker** (Walker of Bellinzona).

This will be certified in the certificate that can be downloaded from the Performance Timing website after the races.

Athlete of the Two Europe's

In a short, solemn, medieval ceremony celebrated by Emperor Frederick I of Swabia, known as "Barbarossa", at the "Castles & GO" Village in the Piazza del Sole, the male and female winners of the footrace who achieved the fastest times will also be awarded the title of **Athlete of the Two Europe's**.

This, "because Bellinzona is the first important city closest to the Gotthard Pass, which divides Europe geographically, physically, culturally and ideally into North and South, on both sides".

Madama Paola Stampanoni and Ser Lukas Oehen are the first historic "Athletes of the Two Europe's" of the **Bellinzona Castles & GO** Footrace 2022.

Who will be the next "Athlete of the Two Europe's" in the men's and women's categories?
